**ECU After School Art Class
Student/Parent Information Survey**

So that we might provide appropriate instruction to your child this semester, we ask for your help in completing the following questions.

Student's Name: _____

School Information: Please circle type of school and provide school name if applicable.

Public _____

Private _____

Home School _____

Grade Level: _____

Are there any health or learning issues we should be aware of other than food or material sensitivities?

Please list any visual or performing arts, hobbies, sports, or other interests your child enjoys.

Has your child taken an after school class before? If so, what would they like to learn or do differently? What did they like or dislike?
